

Program Schedule for Technical Session

✱Poster presentation:

Post your poster at May 22(Sun) 12:00–13:30 and remove it after 15:00 of May 24(Tue).

Poster presentations are scheduled for May 22(Sun) 15:30–16:10. All authors have to present their own posters.

Date	Room	9:00		10:00		11:00		12:00		13:00		14:00		15:00		16:00		17:00		18:00	Remarks			
May 22 (Sun)	Event Hall A			Opening Ceremony					Lunch		Invited Speech	Challenges & Perspective on Foundry Industry	15:30-16:10 Poster Presentation at 3rd Meeting Room (Coffee Break)	New Casting Applications			(*1) given by recipients of awards in Japan Foundry Engineering Society							
	Event Hall B			Special Lecture							Invited Speech	Non-ferrous Casting Production and Metallurgy		Non-ferrous Casting Production and Metallurgy										
	Conference Hall										Invited Speech	Ferrous Casting Production and Metallurgy		Ferrous Casting Production and Metallurgy										
	4th Meeting Room										Invited Speech	Non-ferrous Casting Production and Metallurgy		Non-ferrous Casting Production and Metallurgy										
	6th Meeting Room										Special Session (*1)			Special Session (*1)										
	7th Meeting Room										Simulation and Modeling			Simulation and Modeling										
	3rd Meeting Room										Poster (Display)			Poster (Display)										
May 23 (Mon)	Event Hall A			Ferrous Casting Production and Metallurgy		10:40-11:00 Coffee Break	Ferrous Casting Production and Metallurgy		Lunch		(City Tour)							(*2) consists of presentation on cast defects of cast iron and steel						
	Event Hall B			Mold and Coremaking Technology			Mold and Coremaking Technology																	
	Conference Hall			Special Session on Cast Defects (*2)			Investment Casting																	
	4th Meeting Room			Non-ferrous Casting Production and Metallurgy			Non-ferrous Casting Production and Metallurgy																	
	6th Meeting Room			Ferrous Casting Production and Metallurgy			Ferrous Casting Production and Metallurgy																	
	7th Meeting Room			Robotics and Automation			Energy Saving and Environmental Protection																	
	3rd Meeting Room																		Poster (Display)					
May 24 (Tue)	Event Hall A			Ferrous Casting Production and Metallurgy		10:40-11:00 Coffee Break	Ferrous Casting Production and Metallurgy		Lunch		Ferrous Casting Production and Metallurgy													
	Event Hall B			Mold and Coremaking Technology			Mold and Coremaking Technology																	
	Conference Hall			Die Casting			Die Casting																	
	4th Meeting Room			Control of Quality			•People & Skills for Today's Industry •Technology Transfer & Knowledge Management in Foundry Industry																	
	6th Meeting Room			Young Researchers Program			Young Researchers Program																	
	7th Meeting Room			Young Researchers Program			Young Researchers Program																	
	3rd Meeting Room										Poster (Display)
